

Artist's Statement:

Visitors to the gallery enjoy knowing about the artists on exhibit-- who you are, why you do what you do...your contribution to the world as artist....

Please finish some, most, or all of the following sentence starters to tell us a little about yourself. From your responses, we'll create a flier about you for our gallery notebook.

* I began my art career (where, when, why, how)....

* I was inspired and influenced by....

* My training and education included...

* Favorite themes of my work include....

* I see my "mission" as an artist as...

* To understand my technique or style, you need to know....

* I've participated and/or exhibited recently....

* I've had some recent media attention and/or exposure...

* What I love best is....

* What saddens me most is...

* What I want to learn is...

* What I'd like you to know and remember most about my work is....
